

Howard will celebrate the 125th anniversary of its founding this year.

Located in Miner County, Howard was founded in 1881. Howard was South Dakota's first community to operate its own wind turbines, providing "green energy" to residential and commercial customers.

I offer my congratulations to Howard on their anniversary, and I wish them continued prosperity in the years to come.●

NOTIFICATION OF THE ISSUANCE OF AN EXECUTIVE ORDER BLOCKING THE PROPERTY OF PERSONS IN CONNECTION WITH THE SITUATION IN BELARUS—PM 50

The PRESIDING OFFICER laid before the Senate the following message from the President of the United States, together with an accompanying report; which was referred to the Committee on Banking, Housing, and Urban Affairs:

To the Congress of the United States:

Consistent with subsection 204(b) of the International Emergency Economic Powers Act, 50 U.S.C. 1703(b) (IEEPA), and section 301 of the National Emergencies Act, 50 U.S.C. 1631 (NEA), I hereby report that I have

issued an Executive Order (the "order") blocking the property of persons in connection with the situation in Belarus. In that order, I declared a national emergency with respect to the policies and actions of certain individuals in Belarus, to address the unusual and extraordinary threat to the national security and foreign policy of the United States posed by the actions and circumstances involving Belarus, as described below. This action follows the issuance of Proclamation 8015 of May 12, 2006, "Suspension of Entry as Immigrants and Nonimmigrants of Persons Responsible for Policies or Actions That Threaten the Transition to Democracy in Belarus," in which I determined that it is in the interest of the United States to suspend the entry into the United States of members of the government of Alyaksandr Lukashenka and others who formulate, implement, participate in, or benefit from policies or actions, including electoral fraud, human rights abuses, and corruption, that undermine or injure democratic institutions or impede the transition to democracy in Belarus.

The United States, the European Union, and other allies and partners around the world have repeatedly expressed support for the democratic aspirations of the Belarusian people and condemned the Belarusian government's human rights abuses, assaults on democracy, and corruption. The Belarusian authorities have resorted to intense repression in an attempt to preserve their power, including the disappearances of four regime critics in 1999 and 2000, which the authorities have failed to investigate seriously despite credible information linking top government officials to these acts.

The undemocratic 2006 presidential election was only the latest example of the Belarusian government's disregard for the rights of its own citizens. Hundreds of civic and opposition activists were arrested—and many beaten—both before and after the vote for exercising their rights. The authorities forcibly dispersed peaceful post-election demonstrations. There is simply no place in a Europe whole and free for a regime of this kind.

The order also takes an important step in the fight against public corruption, which threatens important United States interests globally, including ensuring security and stability, the rule of law and core democratic values, advancing prosperity, and creating a level playing field for lawful business activities. As noted in Proclamation 8015, the persistent acts of corruption by Belarusian government officials in the performance of public functions has played a significant role in frustrating the Belarusian people's aspirations for democracy. This order authorizes the Secretary of the Treasury to block the assets of senior-level officials of the Government of Belarus, their family members, or those closely linked to such officials engaged in such corruption.
